KEEPERS ON THE... MOVE!

EVERYBODY IS WAITING FOR DDG!

DAVID DE GEA

Man. United to Real Madrid

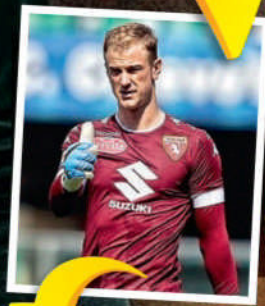

Gossips say Real have already had a £60 million bid rejected for long-term target De Gea. If they do get him, United will need a new keeper...

KASPER SCHMEICHEL

Leicester to Man. United

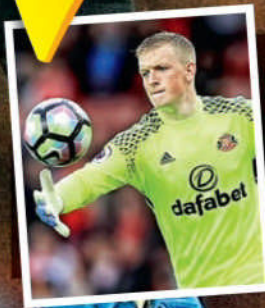

If the Spain shot-stopper does leave Old Trafford, the son of Red Devils legend Peter Schmeichel is top of Jose Mourinho's wish list...

JOE HART

Man. City to Leicester

England's No.1 looks set to move to another Premier League club, and Schmeichel's departure would make Leicester the faves to sign him...

JORDAN PICKFORD

Sunderland to Everton

Everton wanted Hart last season, but they'd step up their chase for Sunderland's Jordan Pickford if they miss out on the Man. City man!

There's tons of transfer talk right now, and one position that lots of clubs are looking to strengthen is in goal. One move could spark a chain reaction. Check it out!

RECORD-BREAKER RONALDO!

Portugal legend **CRISTIANO RONALDO** is set to lead out his country at the Confederations Cup this week, and he's got a few records in his sights!

**71
GOALS**

CR7 is currently the third top scoring European footballer in international history, and he's not far off second place man Sandor Kocsis! The Hungary striker from the '50s hit 75 goals!

**138
CAPS**

If Portugal get through their group, C-Ron might break into the top ten of Europe's most capped players too! He could end the competition with 144 caps - only seven European players have more. Wowzers!

EVERTON midfielder **MORGAN SCHNEIDERLIN** chats about his school days and team-mates!

WHAT WAS YOUR BEST SUBJECT AT SCHOOL?

MORGAN SAYS: "Geography and history were my favourites!"

WHAT WERE YOU LIKE AS A SCHOOL STUDENT?

MORGAN SAYS: "I was okay until I got into football! But my parents pushed me to get the best grades, because you don't know what can happen."

CAN YOU REMEMBER A PIECE OF WORK YOU WERE MOST PROUD OF?

MORGAN SAYS: "I wasn't very good at art and I remember trying to finish a drawing, but I couldn't do it! The teachers kept me after school, and when I finally finished, I was so happy! It's important to keep trying if you can't do something - you'll succeed eventually!"

WHICH TEAM-MATE WOULD MAKE A GOOD TEACHER?

MORGAN SAYS: "Gareth Barry! He passes on a lot of wisdom because he's so experienced. When he speaks, people listen!"

WHO'S THE SMARTEST PLAYER AT EVERTON?

MORGAN SAYS: "Probably Seamus Coleman. He's very intelligent, level headed and a good student of the game!"

TALKING POINT

ATLETICO MADRID
*have been banned
from making any
signings until 2018!
What now for Atleti?*

The decision to ban Atletico from making any signings until January has sent shockwaves through the European transfer market! MATCH has been taking a look at what this means for some of the biggest deals this summer...

FERNANDO TORRES

The Atletico legend's future was in doubt with his current deal at his boyhood club coming to an end this summer. But it looks like they'll have to keep him now!

BAN

SANDRO RAMIREZ

Another player Atletico were close to signing was ex-Barcelona man Sandro! They wanted him after a top season for Malaga, but now Everton are leading the race to land him!

LOOKS LIKE I'M OFF TO THE PREM!

ALEXANDRE LACAZETTE

Atletico's deal with Lyon for the France striker was just waiting to be signed off, but now he's back on the market! Liverpool, Man. United and Arsenal could all swoop for him!

ANTOINE GRIEZMANN

Griezmann's transfer to Man. United was set to be the biggest move of the summer, but it looks off now! Atletico are well unlikely to sell their star man if they can't replace him!

WANTED!

IS THIS A JOKE?

JAN OBLAK

Oblak was linked with Chelsea and Man. United, but PSG were favourites to sign him for around £50 million! There's no chance of that deal happening now though!

ERIC DIER...

ENGLAND

The **TOTTENHAM** ace chats about his **ENGLAND** memories and **THREE LIONS** career so far ahead of this week's massive friendly against **FRANCE!**

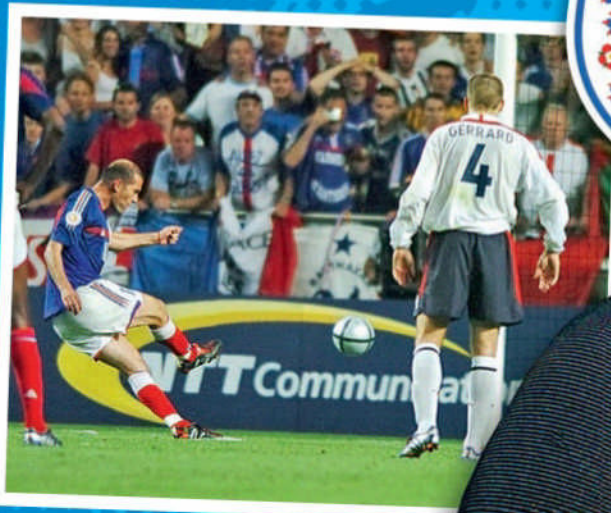

EARLY MEMORIES!

DIER SAYS: "When I was ten years old, Zinedine Zidane scored a penalty for France at the Estadio da Luz that made England lose and me cry. It was England's first match of Euro 2004. When Frank Lampard headed one into the top corner from David Beckham's free-kick, I was ecstatic. Then... Zidane happened!"

MEETING MY HERO!

DIER SAYS: "Right before the tournament started, my sister won a competition at school to go and watch England train. Luckily for me, she took me as one of her guests, and after training was over I got photos with some of the players, including David Beckham. Amazing!"

MY OTHER IDOLS!

DIER SAYS: "I was a big fan of Roy Keane when I was younger, and then it was Nemanja Vidic - one of the reasons I like the number 15 - and Rio Ferdinand. But I liked different kinds of players, as well. Vidic was a bit of a warrior, yet at the same time I loved to watch Gerard Pique and Rafael Marquez, who played in defence and midfield for Barcelona."

FINALLY MAKING IT!

DIER SAYS: "At 16, there was a period when I went on loan to Everton from Lisbon and I felt completely lost. Then in my last season at Sporting Lisbon I barely played. But then Tottenham came about when I was least expecting them to, and thankfully it has worked out well. By the time I started my second season with the club, I thought I might be getting close to an England call-up!"

HERO!

ENGLAND DEBUT!

DIER SAYS: "I was walking back home from the shops when Gareth Southgate, who was the U21 manager back then, rang me to say I was in the senior squad. We went to Spain for a friendly in a tiny stadium in Alicante. The changing room wasn't like Wembley's - it was cramped with the kits hanging close together on a little rack. It made it even more surreal!"

ALLI FRIENDSHIP!

DIER SAYS: "I made my debut with Dele Alli, which was quite cool. Our friendship shows what's so great about football. Dele's a kid from Milton Keynes, who made his way to Tottenham and is now playing for England. I grew up in Lisbon and came here when I was 20, and we've ended up playing together for the national side!"

EURO 2016!

DIER SAYS: "12 years after Zidane's free-kick in Portugal, I was on the pitch in an England shirt at Euro 2016. In the 73rd minute against Russia, Wayne let me take a free-kick - and scoring is among my best moments in football so far! I have a framed picture at home of me, Harry, Dele and Wayne running off to celebrate!"

LOOKING AHEAD!

DIER SAYS: "The way Euro 2016 ended left us distraught. We felt terrible, especially as we knew we had it in us to do something special. But right now is a great time to be involved with England. Football is always fun, but it's even more fun when you're playing with people you enjoy being around!"

REDMOND REVEALED!

The European Under-21 Championship kicks off this week, so **MATCH** catches up with **YOUNG LIONS'** superstar winger **NATHAN REDMOND!**

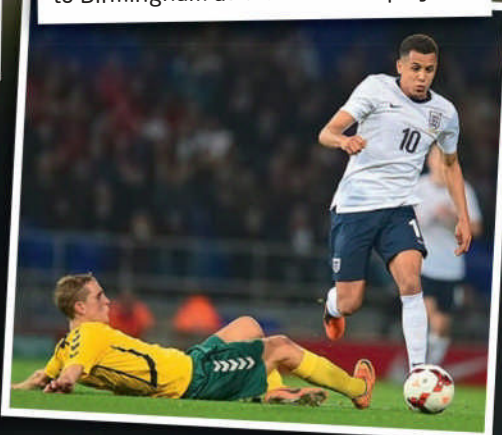

IT'S GOING TO BE AN EXCITING SUMMER, BUT WHAT'S BEEN YOUR BEST MOMENT IN FOOTBALL SO FAR?

NATHAN SAYS: "I'll say two. Making my debut for Birmingham and getting promoted to the Premier League with Norwich. Lifting the play-off trophy in front of all your friends at Wembley is definitely the best way to go up!"

THERE WILL BE SOME TOP TALENT AT THE EUROS, BUT WHO'S THE BEST PLAYER YOU'VE PLAYED WITH?

NATHAN SAYS: "I'd say Ravel Morrison - very, very talented player. Some of the stuff he used to do would just make you go, 'Wow!' I played with him for the Under-21s, and then he came on loan to Birmingham as well. Brilliant player!"

AND WHAT ABOUT THE BEST PLAYER YOU'VE EVER FACED?

NATHAN SAYS: "Luis Suarez. I played against him for Norwich in the Premier League, and he was just ridiculous! We went to Anfield and he almost scored twice from the halfway line, and I was just thinking, 'This guy's incredible!'"

WHAT CLUB DID YOU SUPPORT GROWING UP, AND WHO DID YOU LOOK UP TO AS A KID?

NATHAN SAYS: "Arsenal. I used to go to games at Birmingham, but Arsenal were always my favourite team. I used to love Ian Wright, and then obviously Thierry Henry after him, so I always used to look out for their scores."

WHAT ARE YOUR FAVOURITE FOOTBALL BOOTS EVER?

NATHAN SAYS: "The adidas Xs that I've got now. I've worn adidas for a long time and I've always liked them, but their latest ones are the best ever!"

Redmond was 21 when the Euro qualifiers began in 2015, so he's still allowed to play! No England player got more assists during qualifying than the winger, and they won every game he played!

FIFA 18

REVEALED!

Our mates at EA invited us to have a first look at FIFA 18 last week, and told us all about the new game! Here's what we learned...

GAMEPLAY IS EPIC!

EA reckon FIFA 18 is the biggest improvement to gameplay for years, and the way players move is way more fluid and realistic. Your players respond to your instructions straight away - when you press shoot, they shoot!

YOU CAN FEEL THE ATMOSPHERE!

The look and sound of stadiums have been upgraded to capture unique atmospheres from around the world. We played at Boca Juniors' Bombonera, and it was sick! You can even jump into the crowd to celebrate with fans!

PLAYER LIKENESSES ARE RIDICULOUS!

Every year we say that the game is becoming more and more life-like, and every year it just gets better! The likenesses are crazy now - check out this incredible close-up of Cristiano Ronaldo!

DRIBBLING IS BETTER!

You'll be able to use the skills of top dribblers better than ever on FIFA 18! Players respond to every touch of the controller, and move in their own unique way. Slow dribble is back on R1/RB, and no-touch dribble has been improved!

THE GAME IS CLEVERER!

Player movement off the ball improved for FIFA 17, and it's stepped up again! Your team-mates understand when to make a run and when to come short, while the opposition is able to use a wide variety of tactics against you!

CROSSING'S CHANGED!

EA SPORTS said crosses on FIFA 17 were looped up too much, so now regular crosses will be whipped in instead. You'll still be able to loop it in by holding L1/LB, and drill it by holding R1/RB, but there's no more double and triple tapping!

YOU CAN MAKE QUICK SUBS!

A cool new addition is the option to make a quick tactical tweak. When the ball goes out, you'll have the chance to change a player by holding R2/RT, and selecting your super sub!

STICK WITH MATCH FOR ALL THE LATEST FIFA 18 NEWS AND PICS!

MORE 'DRAMATIC MOMENTS'!

EA have tried to make it easier to recreate some of footy's most beautiful moments! They're calling this quality new feature 'Dramatic Moments', and it means that slick through-balls, long-range screamers and epic volleys are all possible!

THE JOURNEY IS BACK!

The new Journey is called Hunter Returns, and EA say Alex is going global!

THERE'S LOADS MORE CHOICE!

EA SPORTS have tried to give you more choice in the game, so that everybody's Journey is different. You'll have more career options, and off the pitch you can customise Alex Hunter's look by picking his hairstyle, clothes and tattoos!

THERE'S MORE STAR APPEARANCES!

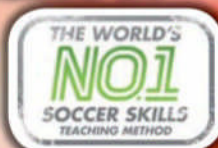

There's a much bigger cast in the next Journey, with new characters, players and celebrities to interact with... including FIFA 18 cover star Cristiano Ronaldo! You'll also be able to use different players on matchdays, and there's a multiplayer option too.

...AND WE PLAYED A BIT OF IT!

At the start, Hunter's agent reveals Real Madrid have made an offer, but word gets out and Alex is booed by his home fans in the next game! After trying to win back their support, Hunter finds out the move to Spain is off! What happens next? We can't wait to find out!

CREATE SPACE FOR YOURSELF!

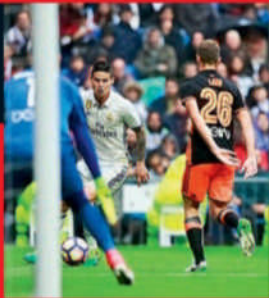

Busting out the epic Step-Over Scissors skill can help you create space to the left or right of an opponent who's either in front or behind you in a 1 v 1 situation. It's a top-quality skill that Real's James Rodriguez loves to do!

James Rodriguez wears the adidas® X 16 Purechaos. Intimidate with Lethal Speed.

USE NEAR THE OPPOSITION GOAL!

These 1 v 1 feint mirror moves are great to use as you head towards goal to give yourself time and space to shoot, run with the ball or play a killer pass to a team-mate. The Real Madrid hero does it so well!

DUMMY YOUR MARKER!

The Step-Over can be used effectively in a 2 v 1 situation as a fake inside foot, one-two pass with a team-mate. Then you can take advantage of the extra space you've created by travelling with the ball in the opposite direction!

SCISSORS!

THESE SKILLS HELP YOU...

Boss defenders in 1 v 1 situations! ✓

Create chances to shoot and pass! ✓

Make space to run with the ball! ✓

MATCH ACADEMY TIP!

Keep your head up so you can see your team-mates, opponents and space. Travel slightly away from the area you want to move into to move your opponent and create more space. Then accelerate away with a fast touch and use your furthest foot from the defender to protect the ball!

TRAINING GROUND!

Now practise the skill yourself!

STEP 1

Do the Step-Over by stepping around the front of the ball with the inside of your foot.

STEP 2

As your foot touches the ground, do the Scissors move by using the outside of the same foot to step back around the ball.

STEP 3

Use the outside of your other foot to push the ball in the opposite direction and accelerate away!
